## HOW TO REACH BOSPHOROUS RALLY SPECTATOR AREAS?

### SPECIAL STAGE: 1 - 3 AIRPORT and SHAKEDOWN

03.06.2011 Friday Shakedown 11:00-13:00

SS 1 1st car due: 16.48

SS 3 1st car due: 18.44

**S1 Airport spectator area :** 40° 54.769 N 029° 27.509 E

The spectator area is prepared at 3.8 km of Airport stage, which is also the end of Shakedown stage. To reach that area, turn to Akfırat direction, which is opposite to İstanbul Park ticket sale box, and carry on for 9 kilometers. This location is 18 kms away from ISG Sabiha Gokcen Airport.

It is one of the ideal spectator areas, easy to reach and spectacular to watch thanks to wider viewing area.

### SPECIAL STAGE: 2 and 4 DENİZ

03.06.2011 Friday SS2 1st car due: 17.16

SS 4 1st car due: 19.12

**S2 Start :** 40° 53' 54" N 029° 33' 09" E

On the Tem Motorway exit at the sign Sekerpinar-Cayırova in the direction of Izmit. Follow the signs Balçık-Mollafeneri-Denizli. About 1 kilometer after crossing Denizli village, the stage start will be on the left.

\* The starting point of the stage is alongside a reservoir and the spectator-area is close by. The cars are visible for up to 2,5 kilometers depending on your vantage point. It is a great place to get close into the action as the cars struggle through numerous difficult corners.

03-05.06.2011

**SPECIAL STAGE: 5 and 9 GÖÇBEY**

04.06.2011 Saturday SS5 1st car due: 10.48  
SS 9 1st car due: 15.15

**S3 Bıçkıdere Beginning of the Gravel Part :** 41° 03' 52" N 029° 28' 20" E

**S3-1)** Take Çekmeköy-Sarıgazi-Şile exit on the TEM Motorway (also known as E-6 Motorway) and head northeast towards Şile. Continue on the Şile road for approximately 30 kilometers. From the junction (named as Avcıkoru), turn right towards the Kömürlük, Kervansaray and Bıçkıdere signs. Drive for several kilometers on this road. After passing 1.5 kilometers to Bıçkıdere, take a right turn from the sign Istanbul Park-Göçbeyli. The spectator point is within walking distance between the trees on the right.

**S3-2)** When coming from the Pendik side, go approximately 5 kilometers from Istanbul Park to Göçbeyli. After Göçbeyli, follow the signs Ovacık, Mudarlı, Darlık and Oruçoğlu. The spectator point will be on the left hand-side about 2.3km after Oruçoğlu.

\* At this spectator-point, the visible range is about 500 meters and the surface changes from tarmac to gravel. The point is next to a tight hairpin.

**S4 Bıçkıdere Bridge :** 41° 04' 06" N 029° 27' 57" E

**S4-1)** Take Çekmeköy-Sarıgazi-Şile exit on the TEM Motorway (also known as E-6 Motorway) and head for northeast towards Şile. Continue on the Şile road for approximately 30 kilometers. From the junction (named as Avcıkoru), turn right towards the Kömürlük, Kervansaray and Bıçkıdere. After several kilometers, there is a little bridge which is away from Artvinliler sign on the right side of the road and this location is the spectator-point.

**S4-2)** Follow the signs of Bıçkıdere after passing the village of Oruçoğlu. On the way to Kömürlük, turn left after 700 meters.

\*At this point, there are really great opportunities to take some good snapshots of the cars power-sliding through a tough corner.

**S5 Finish :** 41° 03' 52" N 029° 26' 05" E

**G3-1)** Take Çekmeköy-Sarıgazi-Şile exit on the TEM Motorway (also known as E-6 Motorway) and head northeast towards Şile. Continue on the Şile road for approximately 30 kilometers. From the junction (named as Avcıkoru), turn right towards the Kömürlük. After passing Kömürlük turn right from the sign Esenceli. The stage finish will be found on this road..

03-05.06.2011

G3-2) When coming from the village of Oruçoğlu, follow the signs Bıçkıdere, Kervansaray and Esenceli. Esenceli will be on the left side after passing through Kervansaray. The stage finish will be found on this road.

\* The stage finish can be seen from this spectator area.

### Special Stage: 6 and 10 ULUPELİT

**S6-1)** Take Çekmeköy-Sarıgazi-Şile exit on the TEM Motorway (also known as E-6 Motorway) and head northeast towards Şile. Continue on the Şile road for approximately 30 kilometers. From the junction (named as Avcıkoru) turn right and continue towards Ulupelit. After approximately 1 km, the gravel road on the left is the start of the stage.

**S6-2)** When coming from Pendik way, continue approximately 5 kilometers from Istanbul Park to Göçbeyli. After Göçbeyli, follow the signs Ovacık, Mudarlı, Darlık, Bıçkıdere and Kömürlük. On the way to Avcıkoru jurisdiction, the spectator-point will be seen on the right, after 3 kilometers.

\* The starting point is about 300 meters away from the main road. Spectators' cars could be parked on the main road.

**S7 Jump :** 41° 05' 28" N 029° 26' 15" E

**S7-1)** From the Avcıkoru junction, continue about 4 kilometers and take a left turn near the mosque towards Kömürlük village. After 1,5 kilometers, the spectator area will be reached.

**S7-2)** After passing the Avcıkoru junction, continue approximately 3 kilometers and turn right from the sign Üvezli. Continue 3 kilometers towards Kömürlük and the spectator point will be reached.

**S7-3)** When coming from Pendik, continue approximately 5 kilometers from Istanbul Park to Göçbeyli. After Göçbeyli, follow the signs Ovacık, Mudarlı, Darlık, Bıçkıdere and Kömürlük. Turn right at the mosque in Kömürlük and the spectator area will be reached after 1.5 kilometers.

\* This spectator-point is on a junction, which includes an asphalt cross-section and also a good jump. Considering the speed, wide surface and also the photo opportunities, this is surely one of best spots to enjoy the rally.

03-05.06.2011

**S8 Spectator Area :** 41° 05' 19" N 029° 29' 17" E

**S8-1)** From the Avcıkoru junction, continue for several kilometers and take a left turn towards Bıçkıdere village. Drive about 3 kilometers along the gravel road to reach the spectator-area. The last 300 meters of this gravel road crosses the dirt road from Ulupelit.

**S8-2)** On the way to Şile road, pass the junctions Avcıkoru, Üvezli and Yeşilvadi. Continue 3 kilometers and turn right at the sign Ulupelit. Drive about 3 kilometers down the gravel road, after turning right at Ulubeyli to reach the spectator-area.

**S8-3)** When coming from Pendik way, continue approximately 5 kilometers from Istanbul Park to Göçbeyli. After Göçbeyli, follow the signs Ovacık, Mudarlı, Darlık, Ulupelit. Turn left at Ulubeyli and continue 2 kilometers on this gravel road.

\* The cars can be viewed for a good distance at this point of the stage.

**S9 Finish :** 41° 07' 19" N 029° 28' 43" E

**S9-1)** On the way to Şile, pass the Avcıkoru junction and follow the sign Yeşilvadi from the Üvezli junction. The spectator- area will be on the left.

**S11-1)** From Istanbul Park head for northeast towards Göçbeyli. Continue on this road for approximately 5 kilometers to reach Göçbeyli village. Before passing through Göçbeyli, turn right at a junction and continue to the villages of Ovacık, Mudarlı and Darlık. 300 meters after passing through Darlık continue straight on at a junction; onto a gravel road. The spectator-point will be reached after going 1 Km from the cemetery at the junction.

**S11-2)** Take Çekmeköy-Sarıgazi-Şile exit on the TEM Motorway (also known as E-6 Motorway) and head northeast towards Şile. Continue approximately 30 kilometers on this road and turn right at the Avcıkoru junction. Follow the signs Kömürlük, Kervansaray, Bıçkıdere, Oruçoğlu and Darlık. Turn left at the Darlık cemetery junction onto a gravel road and continue 1 Km to the stage.

\* The cars will be in sight for approximately 500 meters. In front of the spectator area, there is a large U turn. At this point, there are good opportunities to take great snapshots.

**S12 Jump:** 41° 03' 14" N 029° 38' 44" E

300m after exiting Darlık turn right and continue for 8 Km. You will intersect the stage at the 11 Km point. The spectator area will be seen. Cars should be parked off the road in recommended places.

\* This is the best spot of the one of the fastest stages. After a few tight turns, the cars drive pedal to the metal over a big jump and continue on tarmac for a short while.

**S13 Finish:** 41° 04' 11" N 029° 39' 33" E

**S13-1)** From Istanbul Park head northeast towards Göçbeyli. Continue on this road for approximately 5 kilometers to reach Göçbeyli village. \* The finishing stage will be seen in these point.

03-05.06.2011

### Special Stage: 8 and 12 HALLI

04.06.2011 Saturday SS 6 1st car due: 12.44  
SS 10 1st car due: 17.08

**S14 Start:** 41° 05' 43" N 029° 45' 30" E

**S14-1)** Take Çekmeköy-Sarıgazi-Şile exit on the TEM Motorway (also known as E-6 Motorway) and head for northeast towards Şile. Continue on the Şile road for approximately 55 kilometers. Turn right and continue through Imrendere village to reach Teke village. Afterwards, turn left and continue for approximately 10 kilometers towards Agva. The stage start will be seen on the right.

**S14-2)** From Istanbul Park head for northeast towards Göçbeyli. Continue on this road for approximately 5 kilometers to reach Göçbeyli village. Afterwards, follow the signs by order of Ovacık, Mudarlı, Darlık and Teke. Afterwards, turn right from the village Teke and continue for 10 kilometers towards Agva. The starting point will be seen on the right.

\* Cars can be parked on the gravel area which is on the left. At this point of the stage, there is a wide viewing area.

**S15 Osmanköy Asphalt Cross (BIG KUMP):** 41° 04' 43" N 029° 43' 56" E

Continue approximately 6.5 kilometers after reaching Teke and turn right to reach Osmanköy. Drive about 1,5 kilometers to reach the spectator-point.

\* This is definitely one of the most exciting spectator points in the entire ERC calendar. It was also used in WRC – Rally of Turkey and although the stage was on Friday, there were thousands of spectators. Ukranian Aleksandr Saliuk's huge jump in Rally of Turkey is still fresh in rally fans' memories. At this point, the rally cars are visible for about 2 kilometers as they drive flat-out over the asphalt for the massive jump. **It is a great area to witness the real passion, the excitement and the speed of rallying**

**S16 Yazımanayır :** 41° 03' 49" N 029° 41' 21" E

After Teke village, continue for approximately 2 kilometers and take a right turn in Yazımanayır village onto an asphalt road. Follow this road for about 1,5 kilometers to reach the spectator-point.

\* This point is similar to the D2. Again, there is a jump over the asphalt. Cars can be seen for a long distance. There is a large space for car parking.

03-05.06.2011

**S17 Finish:** 41° 03' 29" N 029° 39' 37" E

**S17-1)** When coming from Sile, turn towards the south in Teke village. The finishing point will be on the left.

**S17-2)** Continue approximately ten kilometers from Darlık towards Teke. The stage finish will be on the right.

\* This spectator-point is in the walking distance from the construction site and cars could be parked opposite to the site.

#### **Special Stage: 13 and 15 MUDARLI**

05.06.2011 Sunday SS 13 1st car due: 10.23  
SS 15 1st car due: 13.24

**S18 Start :** 40° 58' 16" N 029° 31' 48" E

**S18-1)** From Istanbul Park drive towards Göçbeyli village. Take a right turn before Göçbeyli and follow the signs to Ovacık and Mudarlı. The spectator-area is on the right side of the road, about 3 kilometers after passing through Ovacık village.

**S18-2)** When coming from Sile, follow the signs Teke, Darlık and Mudarlı. Continue approximately 4 kilometers from Mudarlı and spectator- area will be on the left.

\* Spectators' cars should be parked on the main road. The distance between the main road and the starting point is around 200 meters. From this point, almost half a kilometer of the special stage could be seen. It is a good place for taking photos.

**S19 GSM Post Spectator Area:** 40° 58' 29" N 029° 32' 30" E

**SS19-1)** From the starting point of the stage continue north on the main road about 1 kilometer. Turn right from where the large pole stands. The spectator-point is a 500 meter walking distance.

**SS19-2)** When coming from Sile, follow the signs Teke, Darlık and Mudarlı. Continue approximately 3 kilometers from Mudarlı and turn left from where the large pole stands.

\* In the third day of WRC – Rally of Turkey, the number of spectators in this area reached up to record-breaking levels for the entire season. This section is in the middle of the forest and there are some difficult left and right turns at this point. It is definitely a good place to watch the rally.

03-05.06.2011

**SS19 Finish :** 41° 00' 53" N 029° 33' 36" E

**SS19-1** When coming from Göçbeyli the finish of the stage is on the right side, just after Mudarlı village.

**SS19-2** When coming from Şile, follow the signs Teke and Darlık. Turn left at the sign of Mudarlı village.

\* Cars should be parked in the village. A few hundred meter walk leads to the finish, where the cars drive flat out.

### **Special Stage: 14 and 16 BALLICA**

05.06.2011 Sunday SS 13 1st car due: 10.59  
SS 16 1st car due: 14.43

\* The starting point of one of the fastest stages in the event can be seen from here.

**S22-1)** From Istanbul Park head northeast towards Gocbeyli. Take a right turn in Göçbeyli and follow the signs Ovacık, Mudarlı and Darlık. On the way to Teke-Ulupelit (after passing Darlık) turn left approximately after 4 Km, from the sign Taşeli which is near the big pole.

**S22-2)** When driving from Şile, follow the signs Teke and Darlık. On the way to Teke-Ulupelit (after passing Darlık) turn left approximately after 4 Km, from the sign Taşeli which is near the big pole. It is more suitable to enter the stage from the gravel road before 300 meters earlier than the GPS point.

**S23 Asphalt Junction:** 41° 01' 26" N 029° 29' 12" E

Take Çekmeköy-Sarıgazi-Şile exit point on the TEM Motorway (also known as E-6 Motorway) and continue 30 kilometres in the direction of Şile. Turn right from the Avcıkoru junction and follow the signs Kömürlük and Kervansaray. After Kervansaray, take a turn to Göçbeyli direction and the spectator area will be a further 6 Km.

\* The cars can be seen from two points. Spectators can go down from the asphalt way or footpath. There is a wide visible range. Also, there are turns one after another.

03-05.06.2011

**S24 Beyza Water Cross:** 41° 01' 05" N 029° 28' 03" E

*From Istanbul Park head for northeast towards Gocbeyli. Turn left from Göçbeyli and continue on the way to Bıçkıdere. Beyza Su junction will be reached with this way.*

*\* At this point, cars enter the dirt road from asphalt. There are continuous power-sliding turns. The section is really really fast.*

**S25 Water filled chicane:** 41° 00' 36" N 029° 27' 02" E

*From Istanbul Park head for northeast towards Gocbeyli. Turn left from Göçbeyli and continue on the way to Bıçkıdere. Continue approximately 4 Km and take a left turn through the forest. The spectator point will be arrived at.*

*\* This stage is one of the fastest of the rally and is also the last stage of the event, as it was in Rally of Turkey as well. The stage is well-known with its several jumps and straights and at this point of the stage, arrival of the cars can be seen over a long distance. There is a chicane with water-splash in front of the spectator area. After this chicane, cars can be seen again along the stage.*

**S26 Ballica Village:** 41° 00' 08" N 029° 24' 41" E

*On the way to Istanbul Park, turn left opposite the Lukoil gas station before reaching Istanbul Park. Continue in the direction of Okan University and Ballica village will be seen.*

**S27 Finish:** 41° 00' 15" N 029° 22' 30" E

*When driving in the direction of Istanbul Park, follow the signs Kurtdoğmuş. The stage finish will be seen.*

*\* This stage is the last stage of the event. Finishing of the event will be seen at this point.*
